JOHN F. MOSES EXPIRES TODAY

Civil War Veteran And One-Time
Editor and Owner of Repub-
lican, Dies at 10:30

IN POOR HEALTH LONG TIME

An Active Life Devoted to the News-
paper Business, Closes at End
of 74 Years

John F. Moses, 74 years old, former owner and editor of the Rushville Republican, veteran of the Civil war, and one of the most widely known men of the county died this morning at ten-thirty o'clock at his home in North Morgan street.

Mr. Moses had been in failing health for the past two years and while his death had been expected by the immediate family, it nevertheless came as a surprise to a large circle of friends. His death was caused by senility and a general breaking down. He had been in a critical condition for the past week. His family was at the bedside when the end came. Besides his widow he is survived by one daughter, Mrs. Ernest Glessner of Fort Collins, Colorado.

In recent years Mr. Moses had not taken an active part in the business life of the city. He retired from the newspaper business in 1903, after practically devoting the largest part of his time to the printer's trade or the active management of a paper. His most recent activity was to serve a term as county assessor. This was the only political office he ever aspired to and retired after four years of faithful service.

The funeral services will be conducted Sunday afternoon at two-thirty o'clock at the First Presbyterian church by the Rev. D. Ira Lambert and burial will take place in East Hill cemetery. Friends may call at the residence Saturday evening.

John F. Moses was a son of John and Doreas Moses and was born in Delaware county, Ohio, October 23, 1841. He spent his boyhood in his native town of Delaware and at the age of twelve years began learning the printer's trade. At sixteen years he went to western Missouri where he worked at his trade for two years. In March, 1861 he returned to Ohio and served in Company C, Fourth Ohio Volunteer Infantry and Battery A, Fourth United States Artillery in the civil war.

Following his discharge from army service he spent six years in Cincinnati working at the printers trade. On May 10, 1870 he bought an interest in the Huntington Herald and was the editor of that paper until October, 1875.

He first became connected with the Republican in January 1877. He continued as owner and editor of the Republican until 1881 when he sold it to the late U. D. Cole. Mr. Moses had a great fondness for newspaper work and after about two years again purchased the plant of Mr. Cole. At this time he became associated with J. Fendner in the ownership of the Republican. On April, 1, 1903 Mr. Moses retired from the newspaper business. Under the editorship of Mr. Moses the Republican became one of the leading Republican papers in the district.

Mr. Moses was married twice, the first occurring October 18, 1870 at Catlettsburg, Kentucky, to Jennie C. Goble. She died November 19, 1875. On September 18, 1878 he was married to Anna Caldwell, who survives him.

Mr. Moses was a member of the First Presbyterian church. He was also a member of the Masonic lodge

HAS THREE TRAFFIC POSTS

City Installs Two New Ones on
Prominent Corners.

New traffic posts have been installed at the corners of Main and Second street and Main and First streets. The post that was at the corner of Main and Second street was moved to Second and Perkins street, giving the city three posts in all. All of the posts are heavy enough that automobile drivers will not hit them intentionally. The two new posts are not as large as the first one put up, but they are all made of the same material, cast iron pipe.

HEATON TRIAL TIME INDEFINITE

Stated in Connersville it Will Start
Here Next Week, But Attorney
is Uncertain

SPECIAL INTEREST IN CASE

It was stated in Connersville yesterday that Clyde Heaton of this county may be tried there next week on a charge of petit larceny. Specifically he is charged with having acted as a companion and accomplice with Riley Stewart, his uncle, who was killed while in the act of stealing chickens at the home of P. T. Bilby.

The case may come up the middle of next week although the attorney here who represents young Heaton had not heard of it being set for trial when seen this morning. The local attorney said he had not been notified regarding the trial of the case and believed it would be carried over until later in the term. It is very sure that, in view of the connection between this charge and the tragedy which occurred, the interest which will attend the Heaton trial will run ahead of the ordinary petit larceny trials.

MOTOR SERVICE IS TO BE ESTABLISHED

Mays Company Will Have Daily Ser-
vice Between Here and Dun-
reith After May 1.

WILL MAKE TWO TRIPS DAILY

Starting May 1 the Mays Motor Transit company will inaugurate a daily service between this city and Dunreith, making two round trips each day between the two points. The route will pass through Sexton and should give the people in the northern part of the county, who in the past have had poor service, a better opportunity to get into Rushville.

The automobile busses will leave in the morning and afternoon. At present the line is operated between Mays and Dunreith, making three round trips every day. This is done in order to handle the mail. These three trips between Mays and Dunreith will continue under the new arrangement. The schedule will be worked out in a few days.

A baby girl was born to the wife of Jess West of West First street last evening.

The ladies of the Baptist church will hold an Easter sale in the room east of the Windsor hotel tomorrow.

PILATE FAILED TO TAKE THE BAIT

Jesus Was Fishing For His Soul
When Placed on Trial Second
Time, Minister Says.

MAKES IT HARD TO DO GOOD

In Same Way God Made it Diffi-
cult For Pilate to Condemn
Jesus, J. T. Aikin Says.

"Jesus was fishing for Pilate's soul and Pilate did not take the bait," said the Rev. J. T. Aikin Thursday night in discussing the trial of Jesus at the regular Passion Week service at the First Presbyterian church. The Rev. Mr. Aikin recalled how Jesus put questions to Pilate when they were together alone in the chamber and placed him on the defensive rather than in the position of one who was conducting the trial.

The Rev. Mr. Aikin referred to the fact that Jesus said to Pilate, "I am Christ," but did not stop with that. He said He was the son of God. The minister declared that even though Christ bore testimony against himself and was condemned for it, his testimony will reverberate down through the ages.

The pastor recalled how Christ was brought before Pilate at the second trial and that Pilate reopened the case although it was hoped that he would not. The Jews made three charges, not the same ones which were brought against Jesus at the first trial.

"Pilate knew that the charges of perverting the nations and refusing to pay taxes to the government were unfounded" continued the Rev. Mr. Aikin, "but Pilate looked up the charge that Christ said He was king. Pilate took Jesus into the chamber alone and asked Him if He were king. Jesus inquired whether Pilate was asking if he was king in the Roman or Jewish sense. Jesus was fishing for Pilate's soul all during that interview and Pilate did not take the bait.

"There are two things about Pilate that should be remembered. God made it hard for him to condemn Jesus Christ. Pilate had a conscience, a sense of justice. We see that in his attempts to set Jesus free.

"Pilate's wife had a dream. She sent word to her husband to have nothing to do with that just man. God sent Pilate a message that way. God still makes it hard to do wrong. He speaks to men now through their loved ones, making it hard for them to do wrong.

"Pilate was responsible for condemning Jesus Christ. He was guilty. I am afraid we are some times inclined to think he is inhuman. As I study Pilate I see something that commends Him to my sympathy and to yours. He was weak and vacillating when he ought to have been strong. He was guided by political influences. While Pilate was guilty, he was not so much so as the Jews who delivered Him. The Jews still bear the blood of Jesus Christ.

"Pilate and the civil government were on trial rather than Jesus, just as today some times in our courts the plaintiff and not the defendant is on trial. So, every one of us is on trial as to what attitude we assume toward Christ. There is no way to tell so well what is in us as by the way we act toward Jesus Christ.

"We all think if we had been in the position of Pilate and the judges we would have voted for Jesus. Perhaps we would. But are we showing by our lives that we are for Jesus Christ?"

ADMITS BODY IS NOT VILLA'S

General Gutierrez Also Says Ameri-
can Troops Have Been Ordered
to Halt at Parral.

WILD STORIES IN PRESS

Chihuahua Newspaper Says United
States Has Declared War on Ger-
many and Will Need Men.

(By United Press.)

Chihuahua, Mexico, April 21.—Admission that the body supposed to be that of Villa was that of another man and that American troops had been ordered by Carranzistas not to proceed south of Parral were made today by General Luis Gutierrez, commander at Chihuahua.

Declaring that Villa's body had not been found, but that the body taken from a lonely mountain grave was that of a member of the Villa band, Gutierrez announced that he did not know whether Villa was dead or alive, but believed him alive and unwounded.

At the same time he declared that Major Jose Herrera of Parral, who figured in the ambush of American troops there, had been instructed definitely to inform the American commanders not to advance beyond Parral in their search for Villa. Chihuahua newspapers today predicted the early retirement of the American forces. El Democrata, printed a Washington dispatch that the United States has declared war on Germany and would require the use of all forces to fight the Germans. Another article stated that Lansing was studying the plans for an early withdrawal of the expedition and gave General Carranza credit for halting the American advance through Mexico.

TO SAVE TROOPS FROM A MASSACRE

General Pershing Withdraws His Ad-
vance Detachments, Staff
Officers Declare.

LEAVES THE PARRAL REGION

(By United Press.)

San Antonio, Texas, April 21.—General Pershing withdrew his advance detachments to save them from possible massacre, according to staff officers at General Funston's headquarters today. Pershing's latest advice have not been given out but were said to contain details of the attitude shown by Carranzista troops toward the American expedition chasing Villa.

Funston's staff officers having prepared a report for Chief of Staff Scott, would not reveal the exact nature of the incidents on which their declarations were based. But they agreed the Americans fell back from the Parral region, only when a plan to wipe them out became evident.

TRIAL BEFORE SQUIRE

Sanford Heaton was being tried this afternoon in Squire Kratzer's court on a charge or provoke. The charge was filed by his brother-in-law Oscar Stewart and was the outgrowth of some recent trouble at the Heaton home. Stewart recently paid a fine for assault and battery on Mr. Heaton and then in turn filed the charge against him.

John Arnold, 60 years old, a well known farmer living near Raleigh, died yesterday following an illness of several months from diabetes. He had been in a serious condition for some time and his death was expected. He is survived by the widow and two children, a son and a daughter. The funeral services will be conducted Saturday afternoon at two o'clock in the Raleigh Christian church and burial will take place in the cemetery there.

CLAIM FOR \$2,000 HEARD IN COURT

Trial of Cora D. Bess Against Ad-
ministrators of Estate of John
M. Beavers Begins

COURT SUSTAINS DEMURRER

The trial of the claim of Cora D. Bess against Eric C. Morgan, administrator of the estate of the late John M. Beavers, started this afternoon in circuit court before Thomas E. Davidson of Greensburg, who was appointed special judge to try the case. The suit was sent to this county on a change of venue from Henry county. About \$2,000 is involved in the claim. The persons involved live near Knightstown.

Judge Sparks this morning sustained a demurrer to an answer in the suits involving the foreclosure of an assessment lien brought as a result of the paving of West Second street. The contractors, Bergen and Company filed six suits to collect the assessment. The defendants maintained that the improvements were greater than fifty per cent of the property valuation. In sustaining the demurrer the court held that this law did not apply in this case. The demurrer was filed by the plaintiff and with a defense gone it is believed the assessments will be paid.

NO DESIRE TO BREAK WITH UNITED STATES

German Naval Head Says His Coun-
try Can go no Further in
Submarine Concessions

DIDN'T SINK SUSSEX, HE SAYS

By CARL W. ACKERMAN

Berlin, April 20. By Wireless—Germany can go no further in her submarine concessions to the United States, Admiral von Holtzendorff, chief of the German admiralty staff, declared in an interview with the United Press today.

"But remember," said the German naval head, "that we have no desire for a break with the United States. That would be insanity. We shall not bring it about, despite our desire to push vigorously our submarine warfare."

"We did not sink the Sussex," said Admiral von Holtzendorff. "I am as convinced of that as of anything which has happened in this war. If you could read the definite instructions, the exact orders each submarine commander has, you would understand that the torpedoing of the Sussex was impossible."

AMBASSADOR MAY BE CAUGHT

As Official Washington Views it,
Bernstorff is Guilty of Im-
proper Conduct

HE CAN'T ESCAPE THE TRAP

Results From His Desire to Reclaim
Von Igel Documents—May
Get Passports

(By United Press.)

Washington, April 21.—Ambassador Bernstorff has been caught in a trap from which he can not escape, if Washington interpretation of developments in the last few days is correct. Washington has come to the conclusion that the German embassy must admit improper activities or will have them proved against it. Whether Count Bernstorff can show that Washington is wrong remains to be seen.

Papers taken from the office of Wolfe von Igel, confidential secretary of Captain van Papen and himself credited to the embassy, form the principal basis for the belief. The confession of Horst von der Goltz in London, a copy of which is in Washington, forms an important element.

The situation was considered by the president's cabinet today. It has been considered the last few days by the justice department and the state department. How seriously the embassy has been considering it was shown today by the eighth demand made on the state department for the return to the embassy of the papers and all photographic evidence concerning them.

Predictions were freely made today that Bernstorff might be given his passports for reasons independent of the submarine controversy. One view, however entertained at the cabinet meeting was that this country's position in the matter of the submarine warfare should be kept free from all other questions involving the Bernstorff affair. It would be unfortunate to have the latter matter come to a head while the submarine controversy is pending.

The trap in which some officials profess to see Bernstorff caught results from his desire to reclaim the von Igel documents as embassy papers and yet not officially to admit anything as his own or his embassy's that would prove knowledge on his own part of improper activities.

WILL PLAY SUNDAY

The Red Men and K. of C's. will play a practice game Sunday afternoon at Edgewater park. No admission will be charged. Both of these teams expect to be in the fraternal league. All Red Men players are requested to be at the hall Sunday afternoon at one o'clock.

A large paint manufacturer asked this question of retailers throughout the country:

NO. 4 SAID:

"We have always regarded the problem of advertising as a big one, and one worthy of our most careful attention. In our opinion much of the money spent in newspaper advertising is highly profitable, while much more of it is entirely wasted, depending upon the thought and care used in preparing the copy.

"We began with some products just two years ago, and we are now selling as much or more paint and varnish than any other store here. We question very much whether this would have been possible without the advertising in our local papers."

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime.

Thousands take one or two every night just to keep right. Try them, 10c and 25c per box. All druggists.

Theo. C. Jarvis, Well Known Rush-
ville Resident, Highly Praises
Tanlac

Theo. C. Jarvis, a well known
Rushville man who lives at 320 West
Fifth street, is one of the hundreds
of people of this vicinity who have
been relieved of troubles through use
of Tanlac, the Master Medicine. Mr.
Jarvis recently said:

"I grant it a duty I owe my fellow
beings to speak a word of praise for
Tanlac. I am 64 years old. My work
is paperhanging. I come in contact
with poison matter and have had a
languid feeling for three years. A
friend advised me to try Tanlac. I
did as advised and am greatly sur-
prised at the results. One of my age
need not look for the vigor of youth
but when you find a medicine that
will give you new life use it and tell
your friends to use it. I am young
now and Tanlac did it."

Tanlac, the Master Medicine Mr.
Jarvis praises so highly, has re-
ceived words of commendation from
hundreds of people all over Indiana.
Tanlac's ability at combating stom-
ach, liver and kidney trouble,
catarrhal complaints, rheumatism,
nervousness, loss of appetite, sleep-
lessness and the like is recited every
day all over the state. As a spring
tonic Tanlac stands without a peer.
It quickly banishes the tired, lan-
guid, feeling that denotes a general
run down condition, purifying the
blood, cleansing the system, and
putting man in shape for summer's
joys.

Tanlac is now sold exclusively in
Rushville at F. E. WOLCOTT'S
drug store.

JOHN F. MOSES EXPIRES TODAY

Continued from Page 1.

and the Royal Arcanum. Politically he was a staunch Republican and in 1910 he was elected county assessor. Mr. Moses, on account of ill health, refused a second nomination in 1914.

The general comment of the people in Rushville today was that John F. Moses was a man who would be greatly missed in Rushville. During the years he was engaged in business, he was a leader in most of the activities of the city in which he was engaged. He was universally respected and admired. Mr. Moses was a man who always had the welfare of Rushville at heart. He worked for civic advancement and always took pride in his home city.

It was widely commented upon today by older men who remember his guidance of the Republican as its editor and owner, that few more staunch Republicans ever lived in Rush county than he. He was a very modest man and never sought reward. The only political office he ever held was that of county assessor, and that nomination came unsolicited.

Mr. Moses had been in failing health for several years. His friends have watched his decline with much grief and have been pained by the knowledge that an active career, a life that had so much to commend it and had so wide an influence for good should come to an end.

GOUGE GOES FREE IN MURDER TRIAL

Former Marshal of Newpoint Cleared of Charge of Killing Willis Wolfe.

JAMES E. WATSON ON DEFENSE

Greensburg, Ind., April 21.—Thoma J. Gouge, former marshal of Newpoint was acquitted of a charge of second degree murder at 3:30 o'clock yesterday afternoon, after the jury in the Circuit Court had deliberated eighteen hours. Gouge was held for the killing of Willis Wolfe, the shooting taking place June 3, 1915, in an alleged "blind tiger."

The case went to the jury Wednesday night and during the eighteen hours of deliberation the jurors were instructed three times. Deputy Prosecutor W. F. Robbins, Tremain & Turner and Davidson & Schlemmer of Greensburg represented the state and James E. Watson of Rushville and Osborn & Hamilton of Greensburg the defense.

WOMAN GIVEN TWO DAYS

To Make Up Her Mind for Surgical Operation. She Refused; Cured by Lydia E. Pinkham's Vegetable Compound.

Philadelphia, Pa.—"One year ago I was very sick and I suffered with pains in my side and back until I nearly went crazy. I went to different doctors and they all said I had female trouble and would not get any relief until I would be operated on. I had suffered for four years before this time, but I kept getting worse the more medicine I took. Every month since I was a young girl I had suffered with cramps in my sides at periods and was never regular. I saw your advertisement in the newspaper and the picture of a woman who had been saved from an operation and this picture was impressed on my mind. The doctor had given me only two more days to make up my mind so I sent my husband to the drug store at once for a bottle of Lydia E. Pinkham's Vegetable Compound, and believe me, I only took four doses before I felt a change and when I had finished the third bottle I was cured and never felt better. I grant you the privilege to publish my letter and am only too glad to let other women know of my cure."—Mrs. THOS. MCGONIGAL, 3432 Hartville Street, Phila., Pa.

John F. Moses.

John F. Moses has passed away. At the passing a large circle of very dear friends who admired and respected him is deeply grieved. Mr. Moses was a man whose friends were legion. He never courted friendship but it sought him. He was of a modest and retiring type, possessed a likable disposition and was ever ready to stand with a friend in time of adversity.

Mr. Moses was deeply religious. His activities in the church were not limited by his devotion to it. He had prominent part in the work of the First Presbyterian church and served in many official capacities.

As a newspaper editor Mr. Moses won recognition for the Republican and set it upon a high plane in the newspaper world. His editorials of the time he represented were virile and straightforward, advocating whatever he sought to convey in clear, pure English.

Because of his modest disposition, Mr. Moses very seldom consented to speak publicly. But when persuaded, he always brought forth a gem. Mr. Moses was one of those kind of men who are revered by all, who will be remembered because they have left the impress of their personality on the community.

Power of Organization.

There is something fascinating about the word organization. When properly directed, there is nothing quite like it. There are those who say many things are "organized to death." When such appears to be the case, it is a libel on the word organization, for organization used right bears fruit.

So it is with the merchant of the several counties in this part of the state who are planning to accomplish some good things for their cause and for the benefit of their respective cities. They dote on organization. In that they are right, but they want to make sure that it is a lasting organization, one that will stand the wear and tear of time and the jibs and taunts of the fault finders.

A fellow with any sense at all will not jeer at organization in the present age. He must know that few really worth while things are accomplished without the concerted action of the many instead of the pulling and hauling in opposite directions of individual efforts.

We of Rushville and Rush county have had many good examples of the powers of organization properly used right here under our noses. Without organization, we probably would not have had the ornamental street lights. In that improvement Rushville took the lead over all cities in this part of Indiana, regardless of population. Those lights have been the source of great pride in the days that have passed and will be in the days that are to come. They have been the object of profuse praise from the lips of the visitor who comes within our gates.

The old Retail Merchants Association, which could not withstand the withering effects of age, made possible the street lights; likewise the paved streets. We may yet have been far behind in city street improvement had it not been for the efforts of that organization.

When the first brick petition came up for consideration, there was naturally considerable opposition to it. The Retail Merchants Association went behind the project as a unit and showed the officials what the public sentiment on the question really was. Once a victory was achieved, other permanent street improvements were easy.

The existence of that organization was the prime cause for the voting of the subsidy in three townships of Rush county to get the Cincinnati extension of the Indianapolis & Cincinnati traction line. The Retail Merchants association was behind the subsidy election and by organized effort made it successful. This dream has not yet been real-

ized, but it will be—and doubtless at a date not far distant—and when it is realized, it will be of immense value to Rushville and southern Rush county.

OFFICE BOY PROVES TO BE GENUINE HERO IN BATTLE.

BY WILBUR S. FORREST.

(Written for United Press.)
London, April 21.—There has just reached London the story of a \$5 a week office boy, 15 years old, who died a hero among the bravest of the brave of King George's finest on Gallipoli peninsula.

It is a story to thrill the heart of every office boy in the United States, this recital of what happened to Cyril Cook after he left the drab surroundings in the dreary office of a big Pall Mall firm and harkened to the order: "Charge!" and forget the lordly overclerk's bumptious summons: "Boys!"

Less than two years ago Cyril Cook was a typical office boy with a large Pall Mall firm. At the outbreak of war he misrepresented his age to a recruiting sergeant and joined the army. Early in 1915 his regiment was sent to the Dardanelles.

A letter to the boy's parents in East Finchley tells the story. A comrade detailed how the youngster fought in practically every important engagement.

Twice he surprised his officers by bringing in Turks he had captured at the point of the bayonet.

He had undertaken many dangerous outpost duties and his conduct throughout all engagements had won him high praise from the commanders.

According to his comrade, the former office boy was in line for decoration. He was killed December 15th; shot through the head.

USE OF TOBACCO TENDS TO CAUSE HARDENING OF THE ARTERIES.

(By Samuel G. Dixon, M. D. LL. D., Pennsylvania Commissioner of Health.)

Despite the almost universal indulgence and the praises that have been sung of the soothing effect of tobacco, science condemns it and offers an imposing array of experiments to prove the ill effects which follow its use.

Tobacco is a drug which contains powerful poisons. Its charm lies in its drug effects. If it has any beneficial effects they are not discoverable to the scientific investigator.

On the other hand there are certain decided results tending to physical deterioration, which are readily recognizable. It is a heart depressant and experiments on animals have shown that it has a tendency to produce hardening of the arteries.

Some of the foremost authorities have made clinical observations which indicate that the use of tobacco has similar effects on man.

As is generally the case in the use of drugs there is a tendency to increasing indulgence.

Those who have had experience in athletics are familiar with the fact that the use of tobacco results in interference with the breathing by depressing the heart action.

There are other affections common to smokers.

To make a summary in brief the results of all scientific investigations seem to prove conclusively that the use of tobacco is distinctly harmful to the majority of men.

"TIZ" GLADDENS SORE, TIRED FEET

No puffed-up, burning, tender, aching feet—no corns or callouses.

"Tiz" makes sore, burning, tired feet fairly dance with delight. Away go the aches and pains, the corns, callouses, blisters, bunions and chiblainas. "Tiz" draws out the acids and poisons that puff up your feet. No matter how hard you work, how long you dance, how far you walk, or how long you remain on your feet, "Tiz" brings restful foot comfort. "Tiz" is magical, grand, wonderful for tired, aching, swollen, smarting feet. Ah! how comfortable, how happy you feel. Your feet just tingle for joy; shoes never hurt or seem tight. Get a 25 cent box of "Tiz" now from any druggist or department store. End foot torture forever—wear smaller shoes, keep your feet fresh, sweet and happy. Just think! a whole year's foot comfort for only 25 cents.

HUNDRED LEADING HOOSIERS

James Oliver 1823-1908.

James Oliver, one of the greatest contributors to the world's agricultural development, was born in Scotland, 1823. At the age of 12 he came to the new world to make his fortune. Living in New York for a year, he then moved to Mishawaka, Ind. At seventeen he was a contractor; and two years later made a success of the coopers' trade. Becoming interested in iron works, he moved to South Bend in 1855, became owner of a foundry, and began to manufacture chilled cast iron plows. His business had a remarkable success. At the Philadelphia exposition of 1876, he was accorded first rank among the expert agricultural inventors; and the fame of the Oliver plow works became international. Mr. Oliver was one of the greatest public benefactors in Northern Indiana. Numbering among his gifts are a handsome opera house; a magnificent hotel, and a large city hall. He died March 2, 1908.

The Evidence is at Your Door

Rushville proof is what you want and the statement of this highly respected resident will banish all doubt:

A. M. Younger, retired farmer, 828 W. 10th street, Rushville, says: "I have been using Doan's Kidney Pills off and on for about ten years and they have done me good. When a man gets as old as I, he is bound to have more or less trouble with the kidneys. At times I have a dull ache across the small of my back and it gets weak and lame. Then the kidney secretions are too frequent in passage, causing me to get up at night. Every time I have been this way, I have procured a box of Doan's Kidney Pills at Johnson's Drug Store, and they never fail to relieve me in a short time." Price 50c, at all dealers. One of the few things the War

has not increased the price of is Buggies. With the price of gasoline going higher every day and more than double what it was a year ago many conservative people have bought buggies, as they do not care to burn their money. Why not buy a nice buggy or road wagon. Where can you get more pleasure than you can out of a nice horse hitched to a nice well proportioned vehicle painted and upholstered to suit your taste? We can fit you out with anything you want in the vehicle line and save you some money on them. We can also fit you out with a nice set of harness, those nifty kind that look good on a horse, and wear well. Our buggies are built along lines that insure you that they will ride easy, as they have a special 38 inch spring and plenty of room in front so you can stretch out and when you sit down in one of these buggies you feel like you were going to rest and enjoy riding because you feel comfortable. Let us show you what we have to offer you in the vehicle line. We want your business and are prepared to take care of it in a way that will satisfy you.

TO MAKE SURVEY OF JOURNALISM

Whole Subject Will be Reviewed by American Association at Annual Convention.

GROUPED IN 11 DIVISIONS

President of Association Says it is Time Teachers Took Stock of Themselves.

(By United Press.)
Lawrence, Kan., April 21.—The American Association of Journalism Teachers in annual convention at the University of Kansas today and tomorrow will make a comprehensive survey of the whole subject of journalism teaching.

The proceedings will be published in full and distributed among publishers and educators.

The subject matter of journalism will be grouped under 11 divisions: news, its handling and treatment; editorial, material and methods; editorial direction, ethics; administration, business systems, records cost-finding; advertising; circulation; history and philosophy of journalism; comparative journalism; cartooning, illustrating; printing, engraving; specialized journalism, agricultural, etc.; the magazine field.

President Thorpe says: "It seems time for teachers of journalism to take stock. Many of us have been pioneering for nearly 10 years. We have encouraged journalism conferences, short courses for editors, district and state meetings; we have furnished model records, cost blanks, instructions to country correspondents, hints on news handling, circulation building, community service, advertising, management; we have exchanged new type for the country editor's worn-out product to better his typography; we have sent men directly into the offices with cost-systems and efficiency methods.

"Are we on the right track?" "Should we encourage this service idea?"

"Will it get away from us?" "At the University of Kansas it has grown to such an extent that the department of journalism receives 200 letters a month from editors asking for information and advice."

OFFERS \$100 FOR THE BEST PLAY

Red Stocking Community Lets Down Bars and Invites All Writers to Take Part.

IT MUST BE FOR CHILDREN

(By United Press.)
Boston, April 21.—A prize play for children competition, open to every writer in the entire United States, is being conducted by the Red Stocking Community, of Brookline, an association of Massachusetts, society women.

One hundred dollars, offered as a prize for the best play, which the Red Stocking Community will produce in connection with its Christmas pageant.

The play to be presented by young society children of Boston's fashionable suburb. The Community Committee therefore wants a simple play which can be easily given by the youngsters.

Plays already have been contributed by authors from the Pacific coast, and widespread interest is being shown in the plan.

Authors from various parts of the country may send their contributions to Miss Esther G. Barrows, who is in charge of the Christmas Committee at the Coolidge Corner Post Office, Brookline.

JOE ADAMS IS IN AGAIN

But This Time Former Rushville Printer Has Sprained Ankle

Joe Adams, a printer, formerly of this city, was found in Newcastle yesterday suffering with a badly sprained ankle. He was taken to the county jail for treatment. Adams has been living in Lynn, Indiana. In explaining his plight, he said he had been in Newcastle all day Wednesday and had been drinking some. He said he was walking down the L. E. & W. tracks and slipped, spraining his ankle severely. He reached a pile of ties and lay there all night.

Affairs In The Social World

Edited by Miss Frances Frazee
Phone 1111, 3 rings

The box social which was to have been held in the Odd Fellows hall last evening has been postponed until Tuesday evening of next week.

There will be a party given tomorrow at the St. Paul's M. E. church at three o'clock for the members of the primary class. They are all invited to be present.

The teachers of the primary department of the United Presbyterian Sabbath school will give a Children's Easter party, Saturday afternoon from two to four o'clock in their rooms at the church.

Dr. Gilbert's class of the Christian church will give a penny supper and parcel post sale at the Christian church on Wednesday evening, April 26th, from 5 till 7 o'clock. From the extensive preparations, the affair promises to be an affair equally the reputation that has already been established.

COMMENCEMENT

Dr. Rettger of Terre Haute will deliver the commencement address for the graduating class at New Salem this evening.

CARD CLUB

The eight players in the Card Club of which Mrs. Will Norris is a member enjoyed a pleasant afternoon together today over the card tables as the guests of Mrs. Norris. At the close of the card games, a dainty luncheon was served.

"The Deacon" is the name of the amusing play to be given by the Raleigh high school in the Lyceum hall there tomorrow evening.

Easter Monday, April 24th, is the date set for the next dance to be given by the Knights of Columbus in the Phi Delta Kappa hall. The committee who is responsible for the success of other affairs of the kind has the dance in charge and is promising that this will equal the preceding dances. Sherman's six-piece Society Orchestra will play for the affair.

WITH MRS. DUNCAN

Another social afternoon together was enjoyed by the members of the Embroidery Club when they were the guests of Mrs. Chauncey Duncan this afternoon. With their usual amiability, the ladies chatted over their needlework as the afternoon hours passed quickly by. The hostess served a delicious luncheon before the departure of the guests. Mrs. Earl Gier of Greenfield, who is the house guest of Mrs. Duncan, was in the company this afternoon.

CARD PARTY

One of the weeks most delightful episodes was the little party Mrs. Frank Wilson gave yesterday in entertaining the Thursday Bridge Club of which she is a member. After the card games which occupied the afternoon, the guests were invited into the dining room where the table was beautifully arranged with spring flowers and a one-course luncheon was served. Among the twelve guests were Mrs. D. C. Green of Salt Lake City, Mrs. Maud Shields and Mrs. Sarah Henley of Chicago.

SUPPER PARTY

Honoring Miss Lucile Linn, who was initiated into the Psi Iota Xi sorority yesterday afternoon, a supper party was given last evening at the home of Miss Frances Neutzel in East Ninth street. An elegant two course repast was served by the girls in the second division of the sorority. Several pretty musical numbers furnished by the guests helped in the pleasure of the evening. Those who enjoyed this delightful time together were the Misses Lucile Linn, Hannah Morris, Alma Green, Inez Stager, Marie Clawson, Belma Clark, Harriet Vredenburg, Frances Neutzel, Mary Smith, Gladys Wallace, Laura Holden, Wanda Wyatt, Mrs. Helen Mitchell, Mrs. Harry Osborn and Miss Frances Frazee.

MOCK WEDDING

A mock wedding was given at Falmouth this afternoon at the school building, inasmuch as it was the last day of school. Judging from the name "The Wedding of Roses," it was an unusually pretty one and especially since all the parts were taken by children. Russel Link, as the minister, Jack-in-the-pulpit, married Little Miss Emaline Brown and Harry McClain. It was an attractive little couple, the bride in a white dress and long veil and the bridegroom in the "conventional black." In pretty pink dresses, the maids of honor appeared, Ruby Dixon and Mary Hackleman, while the best man was John Hackleman. Preceding the wedding party, came pretty little Ravina McClain, as flower girl. Miss Nelle Retherford had charge of the affair and trained the children. Music was played by the orchestra.

SHAKESPEARE PARTY

An unusual and one of the most pleasant gatherings that the Shakespeare Club has enjoyed this year was the party given last evening at the home of Miss Edith Wilk, when the assisting hostesses were Mrs. Frank Forry, Miss Anna Bohannon, and Mrs. Will Coleman. The tercentennial of Shakespeare has given an added interest in this author and that, as well as the name of the club, was suggested in the clever guessing contests which kept the guests busy during the social hours of the evening. Combinations of pictures

about the house suggested familiar quotations from the plays of Shakespeare; while in another, catchy phrases suggested the names of his plays. In these original games Miss Genevieve Brown, Miss Mary Sleeth and Miss Nora Sleeth proved to be the winners. Delicious refreshments were served to the guests before the close of the affair. During a short business period it was decided to have Prof. Jenkins, who has interested the members of the club and their friends during his course of lectures this year, return for the meetings next winter and give his course of six lectures of "Contemporary Novelists."

With The Churches

Regular services at St. Mary's Catholic church, conducted by the Rev. M. W. Lyons. Masses at 8:00 and 10:00 a. m.

At the Main street Christian church Sunday, there will be a special Easter service at Sunday school at 9:15 a. m. At the regular morning service the Knights Templars will participate. Subject of the sermon, "The Cross and the Crown." Special service in the evening at 7:30 p. m., with special Easter music at each service.

Easter services at the United Presbyterian church: Sabbath school 9:30; sermon by the pastor, Rev. John T. Aikin 10:45, subject "Risen with Christ." Special music. Junior society 2 p. m., Intermediate C. U. 6:30, Evening sermon 7:30, "What Jesus Taught about the Future Life."

The usual services will be conducted Sunday at the First Baptist church. Bible school at 9:30 o'clock. At ten-thirty o'clock a short Easter program will be given and following this a picture will be taken of the church and Sunday school. In the evening the Rev. S. G. Huntington will preach an Easter sermon entitled "The Empty Tomb."

Services at the First Presbyterian church Sunday as follows: 7 a. m., Quiet hour; 9:15 a. m. Bible school; 10:30 reception of members and sermon by the pastor, the Rev. D. Ira Lambert on the subject "All Things New," 2 p. m. Juniors; 7 p. m. personal workers; 7:30 p. m. Sacred Cantata "Light out of Darkness."

ART EXHIBIT HERE VERY INSTRUCTIVE

Pictures of all varieties are represented and shown at the art exhibit which is being held in the Public Library, the pictures being sent from the Pratt Art Institute in Brooklyn, N. Y. The exhibit will continue throughout tomorrow. It is exceptionally interesting and instructive. The pictures which line the walls are some in pen and ink, some in water color, conventional designs, commercial work in posters, designs for plate glass windows and conventional designs for rugs, and goods.

Each of the pictures is the work of the students in the institute and this is a yearly plan of the institute in displaying the work.

TOOK 20 GALLONS OF OIL

The stable and garage at the home of Dr. C. H. Parsons in North Main street was broken into last night and twenty gallons of engine oil taken. The oil was valued at sixty cents a gallon. The lock on the door was forced and then the robbers either threw it away or took it with them.

Edwin Bowen underwent an operation at the Sexton Sanatorium Wednesday evening after an illness of about twenty-four hours. He is reported to be recovering from the operation as well as could be expected.

BIGGEST HIT YET

The new gum called Pep-To-Mint is sure making a big hit in Rushville. Everybody says it is splendid and has a very unusual lasting flavor. The Pep-To-Mint mints are great. It's pure. 34tL

time? Nature in all her phases dons her spring raiment—birds put on their new plumage and all vegetation changes its color scheme. Everything and everybody partake of the Resurrection spirit and it is particularly fitting that they should. Why then should not womanhood, the peeress of the world, typifying in a very marked degree, the Awakening? Encourage then, rather than disparage this inherent

longing of womanhood for the new and beautiful, and rejoice with her in the celebration of this Christian festival.

A Simple Way To Remove Dandruff

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

SOUND PURE BRED STALLION—Ingénieur 5273 Certificate of Enrollment No. 1429. Imported Belgian draft stallion, the best type of Belgian draft ever in Rush county. He is chestnut in color, has a stripe and some white; silver mane and tail. He is a stallion of extra quality and bone, in fact, one hard to excel in weight, bone or other qualities. He is a show horse, a sure breeder and a great sire. He was never beaten in a show ring, even at the International Stock Show at Chicago Illinois, he beat thirty head, which was the biggest show of two-year-olds in the United States. He will be limited to a number of mares at \$15.00 to insure. NOTICE—These horses will stand at the terms stated and persons parting with their mares, service fee becomes due at the time such sale is made, unless released by said W. A. Jones. For further particulars see W. A. JONES, Rushville, Ind. 8t2mo.

Cocaoat Oil Makes A Splendid Shampoo

If you want to keep your hair in good condition, be careful what you wash it with.

Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Just plain mulsified cocaoat oil (which is pure and entirely greaseless), is much better than the most expensive soap or anything else you can use for shampooing, as this can't possibly injure the hair.

Simply moisten your hair with water and rub it in. One or two teaspoonfuls will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily and removes every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage.

You can get mulsified cocaoat oil at most any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months.

Recreation Association of America, Edward J. Ward of the United States Bureau of Education, Mrs. J. Borden Harrison, Professor Samuel McCune Lindsey, William G. Wiley, President of the New York Board of Education, Meyer Bloomfield of Boston and Charles McCarthy of Wisconsin.

The president of the conference is Dr. Luther H. Gulick, president of the Camp Fire Girls of America.

Among the speakers will be Professor Franz Boas, Alfred G. Arvold, founder of The Little Country Theatre of North Dakota; Percy Mackay, Edward J. Ward, Professor James Ford of Harvard, and Dr. Haven Emerson, New York City's Commissioner of Health.

A leading note of the conference will be the financing of the wider use of school buildings through methods of local self-support. The activities of community centers include social dancing, the teaching of immigrants, vocation and employment bureaus, health teaching, motion pictures, dramatics, community orchestras and choruses, athletics and craft-work.

WILL BE GIVEN FRONT SEATS

Illinois and Texas Women Will Have Prominent Position at Women's Meeting.

TWO REASONS ARE ASSIGNED

Representative Woman From Those States Have Important Part in Sessions.

(By United Press.)

Chicago, April 21.—When thirty thousand women from the United States and other nations meet in New York from May 22 to June 2 for the twenty-first bi-ennial meeting of General Federation of Women's clubs, the question, "Do Illinois ladies hear?" will by no means have the same significance as it did two years ago in Chicago when Illinois ladies were hostesses and sat high up in the gallery of the auditorium—almost beyond ear shot of the speaker.

This year the 300 delegates from gates from Illinois and the delegates Illinois and the delegates from Texas are to be given front seats in the Seventh Regiment Armory, Park Avenue, New York. Illinois is so honored because her delegates took back position two years ago and because Mrs. Frances D. Everett, who has arranged the program, is an Illinois woman. Texas is given right of way because Mrs. Percy V. Penneybacker, Texan, is general federation president. Not only this, but the delegations from Texas and Illinois will make their headquarters at the Hotel Astor, also the convention's headquarters.

Illinois will announce at the New York confederation that her members have given nearly a tenth of the \$100,000 Sarah Platt Decker memorial fund started four years ago. This sum is nearly three thousand dollars more than Illinois was expected to give.

The Illinois delegation, three hundred strong, will leave Chicago for New York in a special train over the Michigan Central railroad. The train will leave Chicago Sunday afternoon, May 21.

Says Drink Lemonade For Rheumatism

Relief from rheumatism and sciatica can be obtained by drinking lemonade and avoiding alcoholic drinks.

To get rid of this stubborn disease, however; to stop the twinges, pain and swelling, and drive the poisonous accumulations from the joints and muscles, all generously inclined druggists will tell you to take half a teaspoonful of Rheuma daily until all misery ceases.

Rheuma is a powerful remedy, because only a powerful remedy can overcome such a terrible disease; but Rheuma acts speedily—the first dose taken and you'll know that you will soon be your healthy, happy self again.

Johnson's Drug store and all druggists know what Rheuma will do, for they sell a great deal of it and guarantee that two 50-cent bottles will overcome rheumatic agony or money back. (Advertisement.)

Tooth Loose? Watch out for Pyorrhea!

When you find a tooth that gives back and forth, even just a little, see your dentist at once.

He will find conditions which you might overlook. He will find a gum recession, even though slight, where the gums have pulled away from the teeth. And he will tell you that you have the dread disease pyorrhea.

From pyorrhea come by far the greater part of all tooth troubles. Unless treated and checked, it will result not only in the shrinking and malformation of your gums and of the bony structure into which your teeth are set, but in the loss of the teeth themselves.

A specific for pyorrhea has been discovered recently by dental science, and is now offered for daily treatment in Senreco Tooth Paste. Senreco combats the germ of the disease. Its regular use insures your teeth against the attack or further progress of pyorrhea.

But Senreco does more. It cleanses the teeth delightfully. It gives them a whiteness distinctive of Senreco alone. Its flavor is entirely pleasing, and it leaves in the mouth a wonderful sense of coolness and wholesomeness.

Start the Senreco treatment before pyorrhea grips you for good. Details in folder with every tube. A two-ounce tube for 25c is sufficient for 6 weeks' daily treatment. Get Senreco of your druggist today; or send 4c in stamps or coin for sample tube and folder. Address The Sentanel Remedies Company 503 Union Central Building, Cincinnati, Ohio.

House Insurance For Business Men

This is the day of Insurance — Insurance against Death, Accident, Sickness, Fire and Decay transfers hazard into security. A few gallons of Sherwin Williams Paint if used according to directions insures your house for years against the hazard of wind, rain, sleet and decay. SHERWIN WILLIAMS PAINT is the old time insurance policy of 90 per cent of the world's greatest railroads and corporations. Specify and demand it because of the low eventual cost is their criterion of value and their cheapest insurance. Just two things to look for—the color and name of manufacturer, as you can't possibly see the absolute quality and service that is built in the can.

We do Contract Work. Let us figure with you.

Going to Paint this Year?

Most everyone has more or less painting to do in the Spring. Nothing pays a larger dividend on your investment. A well painted house or barn does not cost so much to keep in repair as a neglected one and besides it adds much to the value and appearance of the surroundings.

But you must use GOOD Paint to secure these results. Not one that will chalk or scale off in a short time after applying. Only the purest and best of lead, zinc and oil are used in the manufacture of BURDSAL'S STEAMBOAT PAINTS. When using them you are assured of the maximum of durability and beauty. Besides their covering properties make them far more economical to use than many others which are sold at a higher price.

For interior use they can be had in endless variety, a paint, stain or color for any purpose desired. Whatever you may need, we have it.

PURDUE POULTRY CARS TO BE HERE

Lectures on Live Topics, Illustrated With Motion Pictures, Will be Given

WILL VISIT HERE ON MAY 6

Demonstration Car Will be Open at All Times Between Lectures— at Big 4 Depot

The Purdue Poultry cars will be here on Saturday, May 6 to help celebrate "Poultry Day," in this community, according to an announcement from Purdue university.

Three cars, all full of practical poultry equipment and information, will be on the New York Central line sidetrack at the local depot, and will be open from 9:00 a. m. to 4:00 p. m., rain or shine. Lectures on live poultry topics, illustrated by actual moving pictures will be given at 10:30 a. m., 1:30 p. m. and 3:00 p. m. The lecture car seats 75 people at one time. The demonstration car will be open at all times between lectures. Come early and see the demonstration car first, it is urged.

Merchants are urged to have special bargains and prices for "Poultry Day." It is a busy season, but it will be worth the while of every farmer to take a few hours from work to see these demonstrations. This is the first time Purdue has attempted to bring something even better than a big state fair poultry exhibit to your door. The fact that Purdue has the co-operation of the United States Department of Agriculture and the New York Central Railroad proves these cars something out of the ordinary. Farmers wives are especially requested to bring in their poultry problems. Experienced practical poultrymen will be in charge of the cars.

Other stops at nearby towns are as follows:

May 1, Greensburg; May 2, Hope; May 3, Columbus; May 4, Batesville; May 5, Manchester; May 8, Knightstown; May 9, Newcastle; May 10, Anderson; May 11, Muncie.

ONE THREAD IS IN ALL PROGRAMS

Mental Defect of State's Inmates Will Receive Attention at All Sessions.

OF CHARITY CONFERENCE

Idea Appears in Health Section, Juvenile Section and Also Criminal Division.

Indianapolis, Ind., April 21.—One red thread that runs through the program of the National Conference of Charities and Corrections here May 10 and 17 is the mental defect, according to Indiana members who displayed today the revised program.

Consideration of the mental defect is found all through the series of forty-five meetings that will be held during the eight days of the conference. It is seen in the section on correction and in the discussion of the clearing house plan for the disposition of criminals. A division under the leadership of Supt. E. R. Johnstone of Vineland, N. J., will give its attention almost exclusively to the subject, from the testing of backward children to "Types of buildings for the State Institutions for the Feeble Minded" a topic to be handled by Franklin B. Kirkbride of Letchworth Village, New York. The idea appears again in the section of health, which is under the direction of Dr. J. N. Hurty, state health commissioner, who will speak on "The Right to be Well Born."

NOTICE OF FINAL SETTLEMENT OF ESTATE.

Notice is hereby given to the creditors, heirs and legatees of Mary A. Reeve, deceased, to appear in the Rush Circuit Court, held at Rushville, Indiana, on the 16th day of May, 1916, and show cause, if any, why Final Settlement Accounts with the state of said decedent should not be approved; and said heirs are notified to then and there make proof of heirship, and receive their distributive shares.

Witness, the Clerk of said Court, this 20th day of April, 1916.

JOHN F. MOSES EXPIRES TODAY

Civil War Veteran And One-Time
Editor and Owner of Repub-
lican, Dies at 10:30

IN POOR HEALTH LONG TIME

An Active Life Devoted to the News-
paper Business, Closes at End
of 74 Years

John F. Moses, 74 years old, former owner and editor of the Rushville Republican, veteran of the Civil war, and one of the most widely known men of the county died this morning at ten-thirty o'clock at his home in North Morgan street.

Mr. Moses had been in failing health for the past two years and while his death had been expected by the immediate family, it nevertheless came as a surprise to a large circle of friends. His death was caused by senility and a general breaking down. He had been in a critical condition for the past week. His family was at the bedside when the end came. Besides his widow he is survived by one daughter, Mrs. Ernest Glessner of Fort Collins, Colorado.

In recent years Mr. Moses had not taken an active part in the business life of the city. He retired from the newspaper business in 1903, after practically devoting the largest part of his time to the printer's trade on the active management of a paper. His most recent activity was to serve as county assessor. This was the only political office he ever aspired to and retired after four years of faithful service.

The funeral services will be conducted Sunday afternoon at two-thirty o'clock at the First Presbyterian church by the Rev. D. Ira Lambert and burial will take place in East Hill cemetery. Friends may call at the residence Saturday evening.

John F. Moses was a son of John and Doreas Moses and was born in Delaware county, Ohio, October 23, 1841. He spent his boyhood in his native town of Delaware and at the age of twelve years began learning the printer's trade. At sixteen years he went to western Missouri where he worked at his trade for two years. In March, 1861 he returned to Ohio and served in Company C, Fourth Ohio Volunteer Infantry and Battery A, Fourth United States Artillery in the civil war.

Following his discharge from army service he spent six years in Cincinnati working at the printers trade. On May 10, 1870 he bought an interest in the Huntington Herald and was the editor of that paper until October, 1875.

He first became connected with the Republican in January 1877. He continued as owner and editor of the Republican until 1881 when he sold it to the late U. D. Cole. Mr. Moses had a great fondness for newspaper work and after about two years again purchased the plant of Mr. Cole. At this time he became associated with J. Fendner in the ownership of the Republican. On April, 1, 1903 Mr. Moses retired from the newspaper business. Under the editorship of Mr. Moses the Republican became one of the leading Republican papers in the district.

Mr. Moses was married twice, the first occurring October 18, 1870 at Catlettsburg, Kentucky, to Jennie C. Goble. She died November 19, 1875. On September 18, 1878 he was married to Anna Caldwell, who survives him.

Mr. Moses was a member of the First Presbyterian church. He was also a member of the Masonic lodge

HAS THREE TRAFFIC POSTS

City Installs Two New Ones on
Prominent Corners.

New traffic posts have been installed at the corners of Main and Second street and Main and First streets. The post that was at the corner of Main and Second street was moved to Second and Perkins street, giving the city three posts in all. All of the posts are heavy enough that automobile drivers will not hit them intentionally. The two new posts are not as large as the first one put up, but they are all made of the same material, cast iron pipe.

HEATON TRIAL TIME INDEFINITE

Stated in Connersville It Will Start
Here Next Week, But Attorney
is Uncertain

SPECIAL INTEREST IN CASE

It was stated in Connersville yesterday that Clyde Heaton of this county may be tried there next week on a charge of petit larceny. Specifically he is charged with having acted as a companion and accomplice with Riley Stewart, his uncle, who was killed while in the act of stealing chickens at the home of P. T. Billy.

The case may come up the middle of next week although the attorney here who represents young Heaton had not heard of it being set for trial when seen this morning. The local attorney said he had not been notified regarding the trial of the case and believed it would be carried over until later in the term. It is very sure that, in view of the connection between this charge and the tragedy which occurred, the interest which will attend the Heaton trial will run ahead of the ordinary petit larceny trials.

MOTOR SERVICE IS TO BE ESTABLISHED

Mays Company Will Have Daily Service
Between Here and Dun-
reith After May 1.

WILL MAKE TWO TRIPS DAILY

Starting May 1 the Mays Motor Transit company will inaugurate a daily service between this city and Dunreith, making two round trips each day between the two points. The route will pass through Sexton and should give the people in the northern part of the county, who in the past have had poor service, a better opportunity to get into Rushville.

The automobile busses will leave in the morning and afternoon. At present the line is operated between Mays and Dunreith, making three round trips every day. This is done in order to handle the mail. These three trips between Mays and Dunreith will continue under the new arrangement. The schedule will be worked out in a few days.

A baby girl was born to the wife of Jess West of West First street last evening.

The ladies of the Baptist church will hold an Easter sale in the room east of the Windsor hotel tomorrow.

PILATE FAILED TO TAKE THE BAIT

Jesus Was Fishing For His Soul
When Placed on Trial Second
Time, Minister Says.

MAKES IT HARD TO DO GOOD

In Same Way God Made it Diffi-
cult For Pilate to Condemn
Jesus, J. T. Aikin Says.

"Jesus was fishing for Pilate's soul and Pilate did not take the bait," said the Rev. J. T. Aikin Thursday night in discussing the trial of Jesus at the regular Passion Week service at the First Presbyterian church. The Rev. Mr. Aikin recalled how Jesus put questions to Pilate when they were together alone in the chamber and placed him on the defensive rather than in the position of one who was conducting the trial.

The Rev. Mr. Aikin referred to the fact that Jesus said to Pilate, "I am Christ," but did not stop with that—He said He was the son of God. The minister declared that even though Christ bore testimony against himself and was condemned for it, his testimony will reverberate down through the ages.

The pastor recalled how Christ was brought before Pilate at the second trial and that Pilate reopened the case although it was hoped that he would not. The Jews made three charges, not the same ones which were brought against Jesus at the first trial.

"Pilate knew that the charges of perverting the nations and refusing to pay taxes to the government were unfounded," continued the Rev. Mr. Aikin, "but Pilate looked up the charge that Christ said He was king. Pilate took Jesus into the chamber alone and asked Him if He were king. Jesus inquired whether Pilate was asking if he was king in the Roman or Jewish sense. Jesus was fishing for Pilate's soul all during that interview and Pilate did not take the bait.

"There are two things about Pilate that should be remembered. God made it hard for him to condemn Jesus Christ. Pilate had a conscience, a sense of justice. We see that in his attempts to set Jesus free.

"Pilate's wife had a dream. She sent word to her husband to have nothing to do with that just man. God sent Pilate a message that way. God still makes it hard to do wrong. He speaks to men now through their loved ones, making it hard for them to do wrong.

"Pilate was responsible for condemning Jesus Christ. He was guilty. I am afraid we are some times inclined to think he is inhuman. As I study Pilate I see something that commends Him to my sympathy and to yours. He was weak and vacillating when he ought to have been strong. He was guided by political influences. While Pilate was guilty, he was not so much so as the Jews who delivered Him. The Jews still bear the blood of Jesus Christ.

"Pilate and the civil government were on trial rather than Jesus, just as today some times in our courts the plaintiff and not the defendant is on trial. So, every one of us is on trial as to what attitude we assume toward Christ. There is no way to tell so well what is in us as by the way we act toward Jesus Christ.

"We all think if we had been in the position of Pilate and the judges we would have voted for Jesus. Perhaps we would. But are we showing by our lives that we are for Jesus Christ?"

ADMITS BODY IS NOT VILLA'S

General Gutierrez Also Says Ameri-
can Troops Have Been Ordered
to Halt at Parral.

WILD STORIES IN PRESS

Chihuahua Newspaper Says United
States Has Declared War on Ger-
many and Will Need Men.

(By United Press.)

Chihuahua, Mexico, April 21.—Admission that the body supposed to be that of Villa was that of another man and that American troops had been ordered by Carranzistas not to proceed south of Parral were made today by General Luis Gutierrez, commander at Chihuahua.

Declaring that Villa's body had not been found, but that the body taken from a lonely mountain grave was that of a member of the Villa band, Gutierrez announced that he did not know whether Villa was dead or alive, but believed him alive and unwounded.

At the same time he declared that Major Jose Herrera of Parral, who figured in the ambush of American troops there, had been instructed definitely to inform the American commanders not to advance beyond Parral in their search for Villa.

Chihuahua newspapers today predicted the early retirement of the American forces. El Democrata, printed a Washington dispatch that the United States has declared war on Germany and would require the use of all forces to fight the Germans. Another article stated that Lansing was studying the plans for an early withdrawal of the expedition and gave General Carranza credit for halting the American advance through Mexico.

TO SAVE TROOPS FROM A MASSACRE

General Pershing Withdraws His Ad-
vance Detachments, Staff
Officers Declare.

LEAVES THE PARRAL REGION

(By United Press.)

San Antonio, Texas, April 21.—General Pershing withdrew his advance detachments to save them from possible massacre, according to staff officers at General Funston's headquarters today. Pershing's latest advances have not been given out but were said to contain details of the attitude shown by Carranzista troops toward the American expedition chasing Villa.

Funston's staff officers having prepared a report for Chief of Staff Scott, would not reveal the exact nature of the incidents on which their declarations were based. But they agreed the Americans fell back from the Parral region, only when a plan to wipe them out became evident.

TRIAL BEFORE SQUIRE

Sanford Heaton was being tried this afternoon in Squire Kratzer's court on a charge of provoke. The charge was filed by his brother-in-law Oscar Stewart and was the outgrowth of some recent trouble at the Heaton home. Stewart recently paid a fine for assault and battery on Mr. Heaton and then in turn filed the charge against him.

John Arnold, 60 years old, a well known farmer living near Raleigh, died yesterday following an illness of several months from diabetes. He had been in a serious condition for some time and his death was expected. He is survived by the widow and two children, a son and a daughter. The funeral services will be conducted Saturday afternoon at two o'clock in the Raleigh Christian church and burial will take place in the cemetery there.

CLAIM FOR \$2,000 HEARD IN COURT

Trial of Cora D. Bess Against Ad-
ministrators of Estate of John
M. Beavers Begins

COURT SUSTAINS DEMURRER

The trial of the claim of Cora D. Bess against Eric C. Morgan, administrator of the estate of the late John M. Beavers, started this afternoon in circuit court before Thomas E. Davidson of Greensburg, who was appointed special judge to try the case. The suit was sent to this county on a change of venue from Henry county. About \$2,000 is involved in the claim. The persons involved live near Knightstown.

Judge Sparks this morning sustained a demurrer to an answer in the suits involving the foreclosure of an assessment lien brought as a result of the paving of West Second street. The contractors, Bergen and Company filed six suits to collect the assessment. The defendants maintained that the improvements were greater than fifty per cent of the property valuation. In sustaining the demurrer the court held that this law did not apply in this case. The demurrer was filed by the plaintiff and with a defense gone it is believed the assessments will be paid.

NO DESIRE TO BREAK WITH UNITED STATES

German Naval Head Says His Coun-
try Can go no Further in
Submarine Concessions

DIDN'T SINK SUSSEX, HE SAYS

Berlin, April 20. By Wireless to Tuckertown, N. J., April 21.—Germany can go no further in her submarine concessions to the United States, Admiral von Holtzendorff, chief of the German admiralty staff, declared in an interview with the United Press today.

"But remember," said the German naval head, "that we have no desire for a break with the United States. That would be insanity. We shall not bring it about, despite our desire to push vigorously our submarine warfare."

"We did not sink the Sussex," said Admiral von Holtzendorff. "I am as convinced of that as of anything which has happened in this war. If you could read the definite instructions, the exact orders each submarine commander has, you would understand that the torpedoing of the Sussex was impossible."

AMBASSADOR MAY BE CAUGHT

As Official Washington Views it,
Bernstorff is Guilty of Im-
proper Conduct

HE CAN'T ESCAPE THE TRAP

Results From His Desire to Reclaim
Von Igel Documents—May
Get Passports

(By United Press.)

Washington, April 21.—Ambassador Bernstorff has been caught in a trap from which he can not escape, if Washington interpretation of developments in the last few days is correct. Washington has come to the conclusion that the German embassy must admit improper activities or will have them proved against it. Whether Count Bernstorff can show that Washington is wrong remains to be seen.

Papers taken from the office of Wolfe von Igel, confidential secretary of Captain van Papen and himself credited to the embassy, form the principal basis for the belief. The confession of Horst von der Goltz in London, a copy of which is in Washington, forms an important element.

The situation was considered by the president's cabinet today. It has been considered the last few days by the justice department and the state department. How seriously the embassy has been considering it was shown today by the eighth demand made on the state department for the return to the embassy of the papers and all photographic evidence concerning them.

Predictions were freely made today that Bernstorff might be given his passports for reasons independent of the submarine controversy. One view, however entertained at the cabinet meeting was that this country's position in the matter of the submarine warfare should be kept free from all other questions involving the Bernstorff affair. It would be unfortunate to have the latter matter come to a head while the submarine controversy is pending.

The trap in which some officials profess to see Bernstorff caught results from his desire to reclaim the von Igel documents as embassy papers and yet not officially to admit anything as his own or his embassy's that would prove knowledge on his own part of improper activities.

WILL PLAY SUNDAY

The Red Men and K. of C's. will play a practice game Sunday afternoon at Edgewater park. No admission will be charged. Both of these teams expect to be in the fraternal league. All Red Men players are requested to be at the hall Sunday afternoon at one o'clock.

A large paint manufacturer, asked this question of retailers throughout the country:

NO. 4 SAID:

"We have always regarded the problem of advertising as a big one, and one worthy of our most careful attention. In our opinion much of the money spent in newspaper advertising is highly profitable, while much more of it is entirely wasted, depending upon the thought and care used in preparing the copy.

"We began with some products just two years ago, and we are now selling as much or more paint and varnish than any other store here. We question very much whether this would have been possible without the advertising in our local papers."

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime.

Thousands take one or two every night just to keep right. Try them. 10c and 25c per box. All druggists.

Bothered by Catarrh, Bronchitis, Asthma, Head or Chest Colds?

Try the "Vap-O-Rub" Treatment—Relieves by Inhalation and Absorption. No Stomach Dosing.

No need to disturb your stomach with internal medicines for these troubles. Vick's "Vap-O-Rub" Salve, combines by a special process—Menthol, Thymol, Eucalyptol, Camphor and Pine Tar, so that when taking out that tightness and soreness, applied to the heat of the body, these ingredients are released in the form of vapors. These soothing, medicated vapors are inhaled all night long through the air passages to the lungs, loosening the phlegm, soothing the inflamed membrane, and aiding the body cells to drive out the invading germs.

In addition, Vick's is absorbed through the pores, reducing the inflammation and taking out that tightness and soreness, applied to the heat of the body, these ingredients are released in the form of vapors. These soothing, medicated vapors are inhaled all night long through the air passages to the lungs, loosening the phlegm, soothing the inflamed membrane, and aiding the body cells to drive out the invading germs.

JOHN F. MOSES EXPIRES TODAY

Continued from Page 1.

and the Royal Arcanum. Politically he was a staunch Republican and in 1910 he was elected county assessor. Mr. Moses, on account of ill health, refused a second nomination in 1914.

The general comment of the people in Rushville today was that John F. Moses was a man who would be greatly missed in Rushville. During the years he was engaged in business, he was a leader in most of the activities of the city in which he was engaged. He was universally respected and admired. Mr. Moses was a man who always had the welfare of Rushville at heart. He worked for civic advancement and always took pride in his home city.

It was widely commented upon today by older men who remember his guidance of the Republican as its editor and owner, that few more staunch Republicans ever lived in Rush county than he. He was a very modest man and never sought reward. The only political office he ever held was that of county assessor, and that nomination came unsolicited.

Mr. Moses had been in failing health for several years. His friends have watched his decline with much grief and have been pained by the knowledge that an active career, a life that had so much to commend it and had so wide an influence for good should come to an end.

WOMAN GIVEN TWO DAYS

To Make Up Her Mind for Surgical Operation. She Refused; Cured by Lydia E. Pinkham's Vegetable Compound.

Philadelphia, Pa.—"One year ago I was very sick and I suffered with pains in my side and back until I nearly went crazy. I went to different doctors and they all said I had female trouble and would not get any relief until I would be operated on. I had suffered for four years before this time, but I kept getting worse the more medicine I took. Every month since I was a young girl I had suffered with cramps in my sides at periods and was never regular. I saw your advertisement in the newspaper and the picture of a woman who had been saved from an operation and this picture was impressed on my mind. The doctor had given me only two more days to make up my mind so I sent my husband to the drug store at once for a bottle of Lydia E. Pinkham's Vegetable Compound, and believe me, I only took four doses before I felt a change and when I had finished the third bottle I was cured and never felt better. I grant you the privilege to publish my letter and am only too glad to let other women know of my cure."—Mrs. THOS. MCGONIGAL, 3432 Hartville Street, Phila., Pa.

John F. Moses.

John F. Moses has passed away. At the passing a large circle of very dear friends who admired and respected him is deeply grieved. Mr. Moses was a man whose friends were legion. He never courted friendship but it sought him. He was of a modest and retiring type, possessed a likable disposition and was ever ready to stand with a friend in time of adversity.

Mr. Moses was deeply religious. His activities in the church were not limited by his devotion to it. He had prominent part in the work of the First Presbyterian church and served in many official capacities.

As a newspaper editor Mr. Moses won recognition for the Republican and set it upon a high plane in the newspaper world. His editorials of the time he represented were virile and straightforward, advocating whatever he sought to convey in clear, pure English.

Because of his modest disposition, Mr. Moses very seldom consented to speak publicly. But when persuaded, he always brought forth a gem. Mr. Moses was one of those kind of men who are revered by all, who will be remembered because they have left the impress of their personality on the community.

Power of Organization.

There is something fascinating about the word organization. When properly directed, there is nothing quite like it. There are those who say many things are "organized to death." When such appears to be the case, it is a libel on the word organization, for organization used right bears fruit.

So it is with the merchant of the several counties in this part of the state who are planning to accomplish some good things for their cause and for the benefit of their respective cities. They dote on organization. In that they are right, but they want to make sure that it is a lasting organization, one that will stand the wear and tear of time and the jibs and taunts of the fault finders.

A fellow with any sense at all will not jeer at organization in the present age. He must know that few really worth while things are accomplished without the concerted action of the many instead of the pulling and hauling in opposite directions of individual efforts.

We of Rushville and Rush county have had many good examples of the powers of organization properly used right here under our noses. Without organization, we probably would not have had the ornamental street lights. In that improvement Rushville took the lead over all cities in this part of Indiana, regardless of population. Those lights have been the source of great pride in the days that have passed and will be in the days that are to come. They have been the object of profuse praise from the lips of the visitor who comes within our gates.

The old Retail Merchants Association, which could not withstand the withering effects of age, made possible the street lights; likewise the paved streets. We may yet have been far behind in city street improvement had it not been for the efforts of that organization.

When the first brick petition came up for consideration, there was naturally considerable opposition to it. The Retail Merchants Association went behind the project as a unit and showed the officials what the public sentiment on the question really was. Once a victory was achieved, other permanent street improvements were easy.

The existence of that organization was the prime cause for the voting of the subsidy in three townships of Rush county to get the Cincinnati extension of the Indianapolis & Cincinnati traction line. The Retail Merchants association was behind the subsidy election and by organized effort made it successful. This dream has not yet been real-

ized, but it will be—and doubtless at a date not far distant—and when it is realized, it will be of immense value to Rushville and southern Rush county.

OFFICE BOY PROVES TO BE GENUINE HERO IN BATTLE.

BY WILBUR S. FORREST.

(Written for United Press.)
London, April 21.—There has just reached London the story of a \$5 a week office boy, 15 years old, who died a hero among the bravest of the brave of King George's finest on Gallipoli peninsula.

It is a story to thrill the heart of every office boy in the United States, this recital of what happened to Cyril Cook after he left the drab surroundings in the dreary office of a big Pall Mall firm and harkened to the order: "Charge!" and forget the lordly overleak's bumptious suimons: "Boys!"

Less than two years ago Cyril Cook was a typical office boy with a large Pall Mall firm. At the outbreak of war he misrepresented his age to a recruiting sergeant and joined the army. Early in 1915 his regiment was sent to the Dardanelles.

A letter to the boy's parents in East Finchley tells the story. A comrade detailed how the youngster fought in practically every important engagement.

Twice he surprised his officers by bringing in Turks he had captured at the point of the bayonet.

He had undertaken many dangerous outpost duties and his conduct throughout all engagements had won him high praise from the commanders.

According to his comrade, the former office boy was in line for decoration. He was killed December 15th; shot through the head.

USE OF TOBACCO TENDS TO CAUSE HARDENING OF THE ARTERIES.

(By Samuel G. Dixon, M. D. LL. D., Pennsylvania Commissioner of Health.)

Despite the almost universal indulgence and the praises that have been sung of the soothing effect of tobacco, science condemns it and offers an imposing array of experiments to prove the ill effects which follow its use.

Tobacco is a drug which contains powerful poisons. Its charm lies in its drug effects. If it has any beneficial effects they are not discoverable to the scientific investigator.

On the other hand there are certain decided results tending to physical deterioration, which are readily recognizable. It is a heart depressant and experiments on animals have shown that it has a tendency to produce hardening of the arteries.

Some of the foremost authorities have made clinical observations which indicate that the use of tobacco has similar effects on man.

As is generally the case in the use of drugs there is a tendency to increasing indulgence.

Those who have had experience in athletics are familiar with the fact that the use of tobacco results in interference with the breathing by depressing the heart action.

There are other affections common to smokers.

To make a summary in brief the results of all scientific investigations seem to prove conclusively that the use of tobacco is distinctly harmful to the majority of men.

"TIZ" GLADDENS SORE, TIRED FEET

No puffed-up, burning, tender, aching feet—no corns or callouses.

"Tiz" makes sore, burning, tired feet fairly dance with delight. Away go the aches and pains, the corns, callouses, blisters, bunions and chilblains. "Tiz" draws out the acids and poisons that puff up your feet. No matter how hard you work, how long you dance, how far you walk, or how long you remain on your feet, "Tiz" brings restful foot comfort. "Tiz" is magical, grand, wonderful for tired, aching, swollen, smarting feet. Ah! how comfortable, how happy you feel. Your feet just tingle for joy; shoes never hurt or seem tight. Get a 25 cent box of "Tiz" now from any druggist or department store. End foot torture forever—wear smaller shoes, keep your feet fresh, sweet and happy. Just think! a whole year's foot comfort for only 25 cents.

HUNDRED LEADING HOOSIERS

James Oliver 1823-1908.

James Oliver, one of the greatest contributors to the world's agricultural development, was born in Scotland, 1823. At the age of 12 he came to the new world to make his fortune. Living in New York for a year, he then moved to Mishawaka, Ind. At seventeen he was a contractor; and two years later made a success of the coopers' trade. Becoming interested in iron works, he moved to South Bend in 1855, because owner of a foundry, and began to manufacture chilled cast iron plows. His business had a remarkable success. At the Philadelphia exposition of 1876, he was accorded first rank among the expert agricultural inventors; and the fame of the Oliver plow works became international. Mr. Oliver was one of the the greatest public benefactors in Northern Indiana. Numbering among his gifts are a handsome opera house; a magnificent hotel, and a large city hall. He died March 2, 1908.

The Evidence is at Your Door

Rushville proof is what you want and the statement of this highly respected resident will banish all doubt:

A. M. Younger, retired farmer, 328 W. 10th street, Rushville, says: "I have been using Doan's Kidney Pills off and on for about ten years and they have done me good. When a man gets as old as I, he is bound to have more or less trouble with the kidneys. At times I have a dull ache across the small of my back and it gets weak and lame. Then the kidney secretions are too frequent in passage, causing me to get up at night. Every time I have been this way, I have procured a box of Doan's Kidney Pills at Johnson's Drug Store, and they never fail to relieve me in a short time." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Younger had. Foster-Milburn Co., Props., Buffalo, N. Y. (Advertisement)

UP-TO-NOW IN DESIGN

Designs as shown by some firms are more or less freakish or fadish to attract the attention of the prospective customers with scarcely a thought of their wearing appearance or correctness in proportion. But then they are merely on paper and represent but a small loss if they don't take.

We have faith in our ability as practical designers and as proof we show at our works a most complete selection of ready to erect monuments designed by our nationally recognized designer, Mr. A. H. Schrichte. J. B. SCHRICHTE SONS

One of the few things the War

has not increased the price of is Buggies. With the price of gasoline going higher every day and more than double what it was a year ago many conservative people have bought buggies, as they do not care to burn their money. Why not buy a nice buggy or road wagon. Where can you get more pleasure than you can out of a nice horse hitched to a nice well proportioned vehicle painted and upholstered to suit your taste? We can fit you out with anything you want in the vehicle line and save you some money on them. We can also fit you out with a nice set of harness, those nifty kind that look good on a horse, and wear well. Our buggies are built along lines that insure you that they will ride easy, as they have a special 38 inch spring and plenty of room in front so you can stretch out and when you sit down in one of these buggies you feel like you were going to rest and enjoy riding because you feel comfortable. Let us show you what we have to offer you in the vehicle line. We want your business and are prepared to take care of it in a way that will satisfy you.

TO MAKE SURVEY OF JOURNALISM

Whole Subject Will be Reviewed by American Association at Annual Convention.

GROUPED IN 11 DIVISIONS

President of Association Says it is Time Teachers Took Stock of Themselves.

(By United Press.)
Lawrence, Kan., April 21.—The American Association of Journalism Teachers in annual convention at the University of Kansas today and tomorrow will make a comprehensive survey of the whole subject of journalism teaching.

The proceedings will be published in full and distributed among publishers and educators.

The subject matter of journalism will be grouped under 11 divisions: news, its handling and treatment; editorial, material and methods; editorial direction, ethics; administration, business systems, records cost-finding; advertising; circulation; history and philosophy of journalism, comparative journalism; cartooning, illustrating, printing, engraving; specialized journalism, agricultural, etc; the magazine field.

President Thorpe says: "It seems time for teachers of journalism to take stock. Many of us have been pioneering for nearly 10 years. We have encouraged journalism conferences, short courses for editors, district and state meetings; we have furnished model records, cost blanks, instructions to country correspondents, hints on news handling, circulation building, community service, advertising, management; we have exchanged new type for the country editor's worn-out product to better his typography; we have sent men directly into the offices with cost-systems and efficiency methods.

"Are we on the right track? "Should we encourage this service idea?

"Will it get away from us? "At the University of Kansas it has grown to such an extent that the department of journalism receives 200 letters a month from editors asking for information and advice."

OFFERS \$100 FOR THE BEST PLAY

Red Stocking Community Lets Down Bars and Invites All Writers to Take Part.

IT MUST BE FOR CHILDREN

(By United Press.)
Boston, April 21.—A prize play for children competition, open to every writer in the entire United States, is being conducted by the Red Stocking Community, of Brookline, an association of Massachusetts, society women.

One hundred dollars is offered as a prize for the best play, which the Red Stocking Community will produce in connection with its Christmas pageant.

The play to be presented by young society children of Boston's fashionable suburb. The Community Committee therefore wants a simple play which can be easily given by the youngsters.

Plays already have been contributed by authors from the Pacific coast, and widespread interest is being shown in the plan.

Authors from various parts of the country may send their contributions to Miss Esther G. Barrows, who is in charge of the Christmas Committee at the Coolidge Corner Post Office, Brookline.

JOE ADAMS IS IN AGAIN

But This Time Former Rushville Printer Has Sprained Ankle

Joe Adams, a printer, formerly of this city, was found in Newcastle yesterday suffering with a badly sprained ankle. He was taken to the county jail for treatment. Adams has been living in Lynn, Indiana. In explaining his plight, he said he had been in Newcastle all day Wednesday and had been drinking some. He said he was walking down the L. E. & W. tracks and slipped, spraining his ankle severely. He reached a pile of ties and lay there all night.

Affairs In The Social World

Edited by Miss Frances Frazee
Phone 1111, 3 rings

The box social which was to have been held in the Odd Fellows hall last evening has been postponed until Tuesday evening of next week.

There will be a party given tomorrow at the St. Paul's M. E. church at three o'clock for the members of the primary class. They are all invited to be present.

The teachers of the primary department of the United Presbyterian Sabbath school will give a Children's Easter party, Saturday afternoon from two to four o'clock in their rooms at the church.

Dr. Gilbert's class of the Christian church will give a penny supper and parcel post sale at the Christian church on Wednesday evening, April 26th, from 5 till 7 o'clock. From the extensive preparations, the affair promises to be an affair equally the reputation that has already been established.

COMMENCEMENT

Dr. Rettger of Terre Haute will deliver the commencement address for the graduating class at New Salem this evening.

CARD CLUB

The eight players in the Card Club of which Mrs. Will Norris is a member enjoyed a pleasant afternoon together today over the card tables as the guests of Mrs. Norris. At the close of the card games, a dainty luncheon was served.

HIGH SCHOOL PLAY

As a result of the production, "Catching Clara" which was staged last evening at Falmouth by the high school pupils, a sum of \$79 was taken in. The clever plot was well brought out by the efficient amateurs who took the leading parts.

"The Deacon" is the name of the amusing play to be given by the Raleigh high school in the Lyceum hall there tomorrow evening.

Easter Monday, April 24th, is the date set for the next dance to be given by the Knights of Columbus in the Phi Delta Kappa hall. The committee who is responsible for the success of other affairs of the kind has the dance in charge and is promising that this will equal the preceding dances. Sherman's six-piece Society Orchestra will play for the affair.

WITH MRS. DUNCAN

Another social afternoon together was enjoyed by the members of the Embroidery Club when they were the guests of Mrs. Chauncey Duncan this afternoon. With their usual amiability, the ladies chatted over their needlework as the afternoon hours passed quickly by. The hostess served a delicious luncheon before the departure of the guests. Mrs. Earl Gier of Greenfield, who is the house guest of Mrs. Duncan, was in the company this afternoon.

CARD PARTY

One of the weeks most delightful episodes was the little party Mrs. Frank Wilson gave yesterday in entertaining the Thursday Bridge Club of which she is a member. After the card games which occupied the afternoon, the guests were invited into the dining room where the table was beautifully arranged with spring flowers and a one-course luncheon was served. Among the twelve guests were Mrs. D. C. Green of Salt Lake City, Mrs. Maud Shields and Mrs. Sarah Henley of Chicago.

SUPPER PARTY

Honoring Miss Lucile Linn, who was initiated into the Psi Iota Xi sorority yesterday afternoon, a supper party was given last evening at the home of Miss Frances Neutzenheller in East Ninth street. An elegant two course repast was served by the girls in the second division of the sorority. Several pretty musical numbers furnished by the guests helped in the pleasure of the evening. Those who enjoyed this delightful time together were the Misses Lucile Linn, Hannah Morris, Alma Green, Inez Stager, Marie Clawson, Belma Clark, Harriet Vredenburg, Frances Neutzenheller, Mary Smith, Gladys Wallace, Laura Holden, Wanda Wyatt, Mrs. Helen Mitchell, Mrs. Harry Osborn and Miss Frances Frazee.

MOCK WEDDING

A mock wedding was given at Falmouth this afternoon at the school building, inasmuch as it was the last day of school. Judging from the name "The Wedding of Roses," it was an unusually pretty one and especially since all the parts were taken by children. Russel Link, as the minister, Jack-in-the-pulpit, married Little Miss Emaline Brown and Harry McClain. It was an attractive little couple, the bride in a white dress and long veil and the bridegroom in the "conventional black." In pretty pink dresses, the maids of honor appeared, Ruby Dixon and Mary Hackleman, while the best man was John Hackleman. Preceding the wedding party, came pretty little Ravina McClain, as flower girl. Miss Nelle Retherford had charge of the affair and trained the children. Music was played by the orchestra.

SHAKESPEARE PARTY

An unusual and one of the most pleasant gatherings that the Shakespeare Club has enjoyed this year was the party given last evening at the home of Miss Edith Wilk, when the assisting hostesses were Mrs. Frank Forry, Miss Anna Bohannon, and Mrs. Will Coleman. The tercentennial of Shakespeare has given an added interest in this author and that, as well as the name of the club, was suggested in the clever guessing contests which kept the guests busy during the social hours of the evening. Combinations of pictures

about the house suggested familiar quotations from the plays of Shakespeare; while in another, catchy phrases suggested the names of his plays. In these original games Miss Genevieve Brown, Miss Mary Sleeth and Miss Nora Sleeth proved to be the winners. Delicious refreshments were served to the guests before the close of the affair. During a short business period it was decided to have Prof. Jenkins, who has interested the members of the club and their friends during his course of lectures this year, return for the meetings next winter and give his course of six lectures of "Contemporary Novelists."

With The Churches

Regular services at St. Mary's Catholic church, conducted by the Rev. M. W. Lyons. Masses at 8:00 and 10:00 a. m.

At the Main street Christian church Sunday, there will be a special Easter service at Sunday school at 9:15 a. m. At the regular morning service the Knights Templars will participate. Subject of the sermon, "The Cross and the Crown." Special service in the evening at 7:30 p. m., with special Easter music at each service.

Easter services at the United Presbyterian church: Sabbath school 9:30; sermon by the pastor, Rev John T. Aikin 10:45, subject "Risen with Christ." Special music. Junior society 2 p. m., Intermediate C. U. 6:30, Evening sermon 7:30, "What Jesus Taught about the Future Life."

The usual services will be conducted Sunday at the First Baptist church. Bible school at 9:30 o'clock. At ten-thirty o'clock a short Easter program will be given and following this a picture will be taken of the church and Sunday school. In the evening the Rev. S. G. Huntington will preach an Easter sermon entitled "The Empty Tomb."

Services at the First Presbyterian church Sunday as follows: 7 a. m., Quiet hour; 9:15 a. m. Bible school; 10:30 reception of members and sermon by the pastor, the Rev. D. Ira Lambert on the subject "All Things New," 2 p. m. Juniors; 7 p. m. personal workers; 7:30 p. m. Sacred Cantata "Light out of Darkness."

ART EXHIBIT HERE VERY INSTRUCTIVE

Pictures of all varieties are represented and shown at the art exhibit which is being held in the Public Library, the pictures being sent from the Pratt Art Institute in Brooklyn, N. Y. The exhibit will continue throughout tomorrow. It is exceptionally interesting and instructive. The pictures which line the walls are some in pen and ink, some in water color, conventional designs, commercial work in posters, designs for plate glass windows and conventional designs for rugs, and goods.

Each of the pictures is the work of the students in the institute and this is a yearly plan of the institute in displaying the work.

TOOK 20 GALLONS OF OIL

The stable and garage at the home of Dr. C. H. Parsons in North Main street was broken into last night and twenty gallons of engine oil taken. The oil was valued at sixty cents a gallon. The lock on the door was forced and then the robbers either threw it away or took it with them.

Edwin Bowen underwent an operation at the Sexton Sanatorium Wednesday evening after an illness of about twenty-four hours. He is reported to be recovering from the operation as well as could be expected.

THE SPIRIT OF EASTER

Who can belittle the desire of womanhood to be becomingly attired at the Easter

time? Nature in all her phases dons her spring raiment—birds put on their new plumage and all vegetation changes its color scheme. Everything and everybody partake of the Resurrection spirit and it is particularly fitting that they should. Why then should not womanhood, the peeress of the world, typifying in a very marked degree, the Awakening? Encourage then, rather than disparage this inherent

longing of womanhood for the new and beautiful, and rejoice with her in the celebration of this Christian festival.

A Simple Way To Remove Dandruff

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

Cocoon Oil Makes A Splendid Shampoo

If you want to keep your hair in good condition, be careful what you wash it with.

Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Just plain mulitified cocoon oil (which is pure and entirely greaseless), is much better than the most expensive soap or anything else you can use for shampooing, as this can't possibly injure the hair.

Simply moisten your hair with water and rub it in. One or two teaspoonfuls will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily and removes every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage.

You can get mulitified cocoon oil at most any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months.

Recreation Association of America, Edward J. Ward of the United States Bureau of Education, Mrs. J. Borden Harrison, Professor Samuel McCune Lindsey, William G. Wilcox, President of the New York Board of Education, Meyer Bloomfield of Boston and Charles McCarthy of Wisconsin.

The president of the conference is Dr. Luther H. Gulick, president of the Camp Fire Girls of America.

Among the speakers will be Professor Franz Boas, Alfred G. Arvold, founder of The Little Country Theatre of North Dakota; Percy Mackay, Edward J. Ward, Professor James Ford of Harvard, and Dr. Haven Emerson, New York City's Commissioner of Health.

A leading note of the conference will be the financing of the wider use of school buildings through methods of local self-support. The activities of community centers include social dancing, the teaching of immigrants, vocation and employment bureaus, health teaching, motion pictures, dramatics, community orchestras and choruses, athletics and craft-work.

HOW THIS MOTHER

Got Strength to do Her Work

Fair Haven, Vt.—"I was so nervous and run down that I could not do my housework for my little family of three. I had doctored for nearly two years without help. One day I read about Vinol, and thanks to it, my health has been restored so I am doing all my housework once more. I am telling all my friends what Vinol has done for me."

WILL BE GIVEN FRONT SEATS

Illinois and Texas Women Will Have Prominent Position at Women's Meeting.

TWO REASONS ARE ASSIGNED

Representative Woman From Those States Have Important Part in Sessions.

(By United Press.)

Chicago, April 21.—When thirty thousand women from the United States and other nations meet in New York from May 22 to June 2 for the twenty-first bi-annual meeting of General Federation of Women's clubs, the question, "Do Illinois ladies hear?" will by no means have the same significance as it did two years ago in Chicago when Illinois ladies were hostesses and sat high up in the gallery of the auditorium—almost beyond ear shot of the speaker.

This year the 300 delegates from states from Illinois and the delegates Illinois and the delegates from Texas are to be given front seats in the Seventh Regiment Armory, Park Avenue, New York. Illinois is so honored because her delegates took back position two years ago and because Mrs. Frances D. Everett, who has arranged the program, is an Illinois woman. Texas is given right of way because Mrs. Percy V. Penningbacker, Texas, is general federation president. Not only this, but the delegations from Texas and Illinois will make their headquarters at the Hotel Astor, also the convention's headquarters.

Illinois will announce at the New York confederation that her members have given nearly a tenth of the \$100,000 Sarah Platt Decker memorial fund started four years ago. This sum is nearly three thousand dollars more than Illinois was expected to give.

The Illinois delegation, three hundred strong, will leave Chicago for New York in a special train over the Michigan Central railroad. The train will leave Chicago Sunday afternoon, May 21.

Says Drink Lemonade For Rheumatism

Relief from rheumatism and sciatica can be obtained by drinking lemonade and avoiding alcoholic drinks.

To get rid of this stubborn disease, however, to stop the twinges, pain and swelling, and drive the poisonous accumulations from the joints and muscles, all generously inclined druggists will tell you to take half a teaspoonful of Rheuma daily until all misery ceases.

Rheuma is a powerful remedy, because only a powerful remedy can overcome such a terrible disease; but Rheuma acts speedily—the first dose taken and you'll know that you will soon be your healthy, happy self again.

John-on's Drug store and all druggists know what Rheuma will do, for they sell a great deal of it and guarantee that two 50-cent bottles will overcome rheumatic agony or money back.

Tooth Loose? Watch out for Pyorrhea!

When you find a tooth that gives back and forth, even just a little, see your dentist at once.

He will find conditions which you might overlook. He will find a gum recession, even though slight, where the gums have pulled away from the teeth. And he will tell you that you have the dread disease pyorrhea.

From pyorrhea come by far the greater part of all tooth troubles. Unless treated and checked, it will result not only in the shrinking and malformation of your gums and of the bony structure into which your teeth are set, but in the loss of the teeth themselves.

A specific for pyorrhea has been discovered recently by dental science, and is now offered for daily treatment in Senreco Tooth Paste. Senreco combats the germ of the disease. Its regular use insures your teeth against the attack or further progress of pyorrhea.

But Senreco does more. It cleanses the teeth delightfully. It gives them a whiteness distinctive of Senreco alone. Its flavor is entirely pleasing, and it leaves in the mouth a wonderful sense of coolness and wholesomeness.

Start the Senreco treatment before pyorrhea grips you for good. Details in folder with every tube. A two-ounce tube for 25c is sufficient for 6 weeks' daily treatment. Get Senreco of your druggist today; or send 4c in stamps or coin for sample tube and folder. Address The Sentinal Remedies Company 503 Union Central Building, Cincinnati, Ohio.

House Insurance For Business Men

This is the day of Insurance — Insurance against Death, Accident, Sickness, Fire and Decay transfers hazard into security. A few gallons of Sherwin Williams Paint if used according to directions insures your house for years against the hazard of wind, rain, sleet and decay. SHERWIN WILLIAMS PAINT is the old time insurance policy of 90 per cent of the world's greatest railroads and corporations. Specify and demand it because of the low eventual cost is their criterion of value and their cheapest insurance.

Just two things to look for—the color and name of manufacturer, as you can't possibly see the absolute quality and service that is built in the can.

We do Contract Work. Let us figure with you.

Going to Paint this Year?

Most everyone has more or less painting to do in the Spring. Nothing pays a larger dividend on your investment. A well painted house or barn does not cost so much to keep in repair as a neglected one and besides it adds much to the value and appearance of the surroundings.

But you must use GOOD Paint to secure these results. Not one that will chalk or scale off in a short time after applying. Only the purest and best of lead, zinc and oil are used in the manufacture of BURDSAL'S STEAMBOAT PAINTS. When using them you are assured of the maximum of durability and beauty. Besides their covering properties make them far more economical to use than many others which are sold at a higher price.

For interior use they can be had in endless variety, a paint, stain or color for any purpose desired. Whatever you may need, we have it.

PURDUE POULTRY CARS TO BE HERE

Lectures on Live Topics, Illustrated With Motion Pictures, Will be Given

WILL VISIT HERE ON MAY 6

Demonstration Car Will be Open at All Times Between Lectures—at Big 4 Depot

The Purdue Poultry cars will be here on Saturday, May 6 to help celebrate "Poultry Day" in this community, according to an announcement from Purdue university.

Three cars, all full of practical poultry equipment and information, will be on the New York Central line sidetrack at the local depot, and will be open from 9:00 a. m. to 4:00 p. m., rain or shine. Lectures on live poultry topics, illustrated by actual moving pictures will be given at 10:30 a. m., 1:30 p. m. and 3:00 p. m. The lecture car seats 75 people at one time. The demonstration car will be open at all times between lectures. Come early and see the demonstration car first, it is urged.

Merchants are urged to have special bargains and prices for "Poultry Day." It is a busy season, but it will be worth the while of every farmer to take a few hours from work to see these demonstrations. This is the first time Purdue has attempted to bring something even better than a big state fair poultry exhibit to your door. The fact that Purdue has the co-operation of the United States Department of Agriculture and the New York Central Railroad proves these cars something out of the ordinary. Farmers wives are especially requested to bring in their poultry problems. Experienced practical poultrymen will be in charge of the cars.

Other stops at nearby towns are as follows:—

May 1, Greensburg; May 2, Hope; May 3, Columbus; May 4, Batesville; May 5, Manchester; May 8, Knightstown; May 9, Newcastle; May 10, Anderson; May 11, Muncie.

ONE THREAD IS IN ALL PROGRAMS

Mental Defect of State's Inmates Will Receive Attention at All Sessions.

OF CHARITY CONFERENCE

Idea Appears in Health Section, Juvenile Section and Also Criminal Division.

Indianapolis, Ind., April 21.—One red thread that runs through the program of the National Conference of Charities and Corrections here May 10 and 17 is the mental defect, according to Indiana members who displayed today the revised program.

Consideration of the mental defect is found all through the series of forty-five meetings that will be held during the eight days of the conference. It is seen in the section on correction and in the discussion of the clearing house plan for the disposition of criminals. A division under the leadership of Supt. E. R. Johnston of Vineland, N. J., will give its attention almost exclusively to the subject, from the testing of backward children to "Types of buildings for the State Institutions for the Feeble Minded" a topic to be handled by Franklin B. Kirkbride of Letchworth Village, New York. The idea appears again in the section of health, which is under the direction of Dr. J. N. Hart, state health commissioner, who will speak on "The Right to be Well Born."
